OF OUR PASTORS**

We just wanted to take a moment to tell you how much we love Northwest Florida and being your Pastors! We have spent a lot of time in prayer and we are so excited for the dreams God has given us for 2018 and beyond.

We are passionate about advancing the Kingdom with you. Through Kingdom Builders we believe that we can fund that passion like never before. We are excited to be the first ones in on this, knowing that the miraculous will happen as we step out in faith to build God's Kingdom. Thanks for taking a step of faith to build the Kingdom.

We love being your pastors,  
Matt & Cori

# KINGDOM BUILDERS

2 0 1 8 – 2 0 1 9 GOAL

**\$250,000**

OVERALL GOAL

**\$1,600,000**

Throughout scriptures, the idea of “The Kingdom” is very prominent. It is mentioned over and over again. It’s actually referenced more than 100 times in the New Testament! Jesus made it very clear that we shouldn’t be self-minded but rather be kingdom-minded. What does that mean? Well it’s very easy for us to get focused on our personal desires, but time and time again the scriptures challenge us to get out of ourselves and see the needs of those around us. We know that one of the major ways that we can do this is by giving toward Kingdom Causes with our finances.

As our church continues to grow, we’ve been praying, talking and researching, to figure out a way to continue to fund our passions. That is why we are so excited to introduce Kingdom Builders! We’ve come to realize that our heart to expand is never going away – we always want to be advancing Kingdom Causes. There will always be a “what’s next for us this year?”, “where does God want us to expand our territory and influence?”, “what are those points of passion that He’s put on our hearts?” and Kingdom Builders is the answer to this! This will be a fund that encompasses our points of passion every year!

**POINT OF PASSION**

**PEOPLE**

---

**\$45,000**

At Capital City Church, we desire to serve our community with the love of Jesus in a tangible way. We do this through various outreach events, #ALLIN initiative, Adopt-A Block, youth camps, and short-term missions trips.

---

## INCLUDES

---

### **CITY OUTREACH**

As part of our outreach strategy, we want to impact the community with events like Serve Day, Farm-share, PackUp back-to-school project, #ALLIN initiative, and Adopt-A-Block.

### **STUDENT SUMMER CAMPS**

We want to help CCSTUDENTS (middle & high school) who couldn't otherwise afford it go to camp and grow their relationships with Jesus.

### **SHORT TERM MISSIONS TRIPS**

We are not only excited about reaching people in Northwest Florida, But people around the world! We believe lives can be changed for eternity by simply introducing them to the message of Jesus!

We are committed to the great commission and believe that as we strategically team up with missionaries across the globe, we can make a difference! That's why this year we are taking missions trips to Columbia, Peru, and Cuba.

### **LOCAL, NATIONAL & INTERNATIONAL BENEVOLENCE**

We know that we cannot predict all of our passions or opportunities that may present themselves throughout the year. Benevolence will help meet the spontaneous needs of people in our community, nation and around the world.

---

# **POINT OF PASSION PLACES**

---

**\$25,000 (Quincy)**  
**\$1,500,000 (Main)**

We believe the most effective way to reach people in the community is to have an expression of God's church in that community. That is why the vision of Capital City Church has always been to be one church in multiple locations. It is with that heart that we will be launching the Quincy church plant in the heart of Gadsden County.

We also believe to be more effective in our current location, that we must build a facility that can provide for our community as a whole, through strategic space planning: classroom space, resource space, recreational space and worship space.

**"Work for the PEACE and PROSPERITY  
of the city where I sent you."**

**JEREMIAH 29:7**

---

## INCLUDES

---

### **QUINCY CHURCH PLANT** **Bringing Light to Our City**

We believe the local church is hope for the world and we are called to reach all of Northwest Florida! God has opened the door to expand West and begin a campus in Quincy, Florida. This funding will allow us to purchase all of the equipment and items for the environments to serve people, as well as staffing the campus for a true presence in the community!

### **TALLAHASSEE EXPANSION**

The funding for this project will begin the process necessary to break ground where the need is greatest. We believe we will build a place where God's presence is central for a community of people whose lives will be redeemed by God's love. This will be an outreach facility as well as a worship facility designed to serve and meet the needs of the residents of Tallahassee, through the presence of The Holy Spirit. The goal of this expansion project is designed to provide a place for people to enjoy spiritually, physically, and environmentally.
